## 2019 Section Conclave

The Order of the Arrow is built on three principles, brotherhood, cheerfulness, and service. Section Conclave is a great way to get all three! From the endless activities to the opportunities to give charity to the enthusiastic trainees, Section Conclave is what the OA is all about! Join us for a weekend of endless fun and brotherhood! All Arrowmen are welcome and encouraged to come! This is a great chance to meet Arrowmen from all across the section, so you don't want to miss out!
